The Hampton Roads Youth Poetry Festival epitomizes Teens With a Purpose’s mission to empower young people to use their voices, creativity, and action to effect personal and societal change. It’s an invitation to lean in, listen, and witness the future unfolding before our eyes.

On April 5th, we will be hosting one of our festival events at the @chryslermuseum Perry Glass Studio. We are thrilled to partner with the Museum and to have the opportunity to bring Teens With a Purpose into a creative space. We also can’t wait to continue hosting events in their future new Perry Glass Studio, currently under construction!

At the event, Hampton Roads Pride connected with regional partners to support their 36th year of working toward inclusion, dignity, and equality of all people. Congratulations to the organizations and individuals who were honored!
